

## INDUSTRIAL INSTITUTION CELL

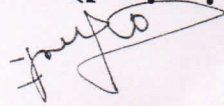

Date: 22/03/2016

Better interaction between institution and industry is the need of an hour. For student it is important because they get exposure to industry and subsequent placement in various disciplines. There is an urgent need of interaction of industry and academics where academic institute can prepare students for jobs in multinational companies and industry will also be benefitted by possibility of receiving well trained workforce. For this to become reality bridging gap between industry and academic institute is a must and for this an industry institute interaction cell formed.

The members of the industry institution cell are as follows:
