

PLACEMENT CELL

Date: 2nd January, 2017

The Placement cell started functioning with a very clear objective of ensuring a higher placement record and a better reach to the students of the college.

The placement cell will design placement brochure with brief bio data of students and institute infrastructure and distribute it to different pharmaceutical industry and create opportunities, so that industries will agree for campus placements. The placement cell will also conduct the orientation programme for the students, so that they can face the interview in industries.

To facilitate this object, placement cell consist of following members:
