Sub: Organizing Science Camp under INSPIRE Internship Programme –Reg.
Sir,

We, from Laureate Institute of Pharmacy, affiliated to Himachal Pradesh Technical University, approved under UGC (2f) of 1954 Act and approved DST INSPIRE Internship Centre are pleased to inform you that we are organizing 6th Science Camp for 100 students under the INSPIRE Internship Programme, granted by the Government of India, Ministry of Science & Technology, New Delhi, from 11th-15th October 2019 at our Campus. In this regard we like to submit that:

1. The basic objective of INSPIRE is to communicate to the youth of the country the excitements of creative pursuit of science, attract the talent to the study of science at an early age and thus build the required critical human resource pool for strengthening and expanding the Science & Technology system and R&D base.
2. The Science Camp will provide an excellent opportunity for the students to interact with the mentors.
3. The students who are pursuing science and have secured 93.5% or above in 10th class are eligible to participate. The selected students will be provided with books and stationery free of cost beside TA and free lodging and boarding facilities for five days in laureate institute where boys are girls will be accommodated in separate hostels.
4. **I request you to please circulate this letter to all the schools under your purview and request the principals to send applications of interested students having 93.5 % marks or more in 10th Class presently studying Science group (medical or Non-medical) in attached proforma.**
5. Eligible students are requested to send their application along with copy of 10th class certificate and one photograph through principal of Schools in attached proforma. The last date for receipt of application forms is 7th October 2019. Any queries may be addressed to **Dr Vinay Pandit (Mobile no: 7018933755)**
6. We also look forward to your kind cooperation in further expanding the outreach of this scheme by expediting the registration of talented students of schools, so that young students with appetite for creativity and innovation in the field of science can be provided with better platform to excel in the field of basic science.

Thanking You,

Yours Sincerely,

(Dr. M. S. Ashawat)
