

6.2.2 Implementation of e-governance in areas of operation

Administration

- Communication through email (contactlaureate@gmail.com) to government and other agencies.
- Proposals for infrastructural development, R & D projects, seminars & workshops, various grants and scholarships are prepared and submitted online through participative management system to concerned organizations (PCI) including state government and sanctions are obtained through the same mode.
- Biometric attendance for staff and students.
- The administration communicates with governing body members, teaching and non-teaching staff members through email.
- Maintenance and disclosure of comprehensive information on institute Website.
- Management of e-resource (EBSCO), (KOHA), (DELNET) in library.
- Whatsapp group to circulate and brief about events happened or to be happened in institute.

Finance and Accounts

- Cashless transaction facility.
- The accounts of institution are managed through e-Academics software.
- Institute is registered under Public Financial Management System (PFMS)

Student admission and support

- Wi-Fi campus/Internet facility networking for staff and students.
- e-resources in library.
- ICT based teaching in smart class rooms.
- Online grievance submission support for students through institutional website.

Examination

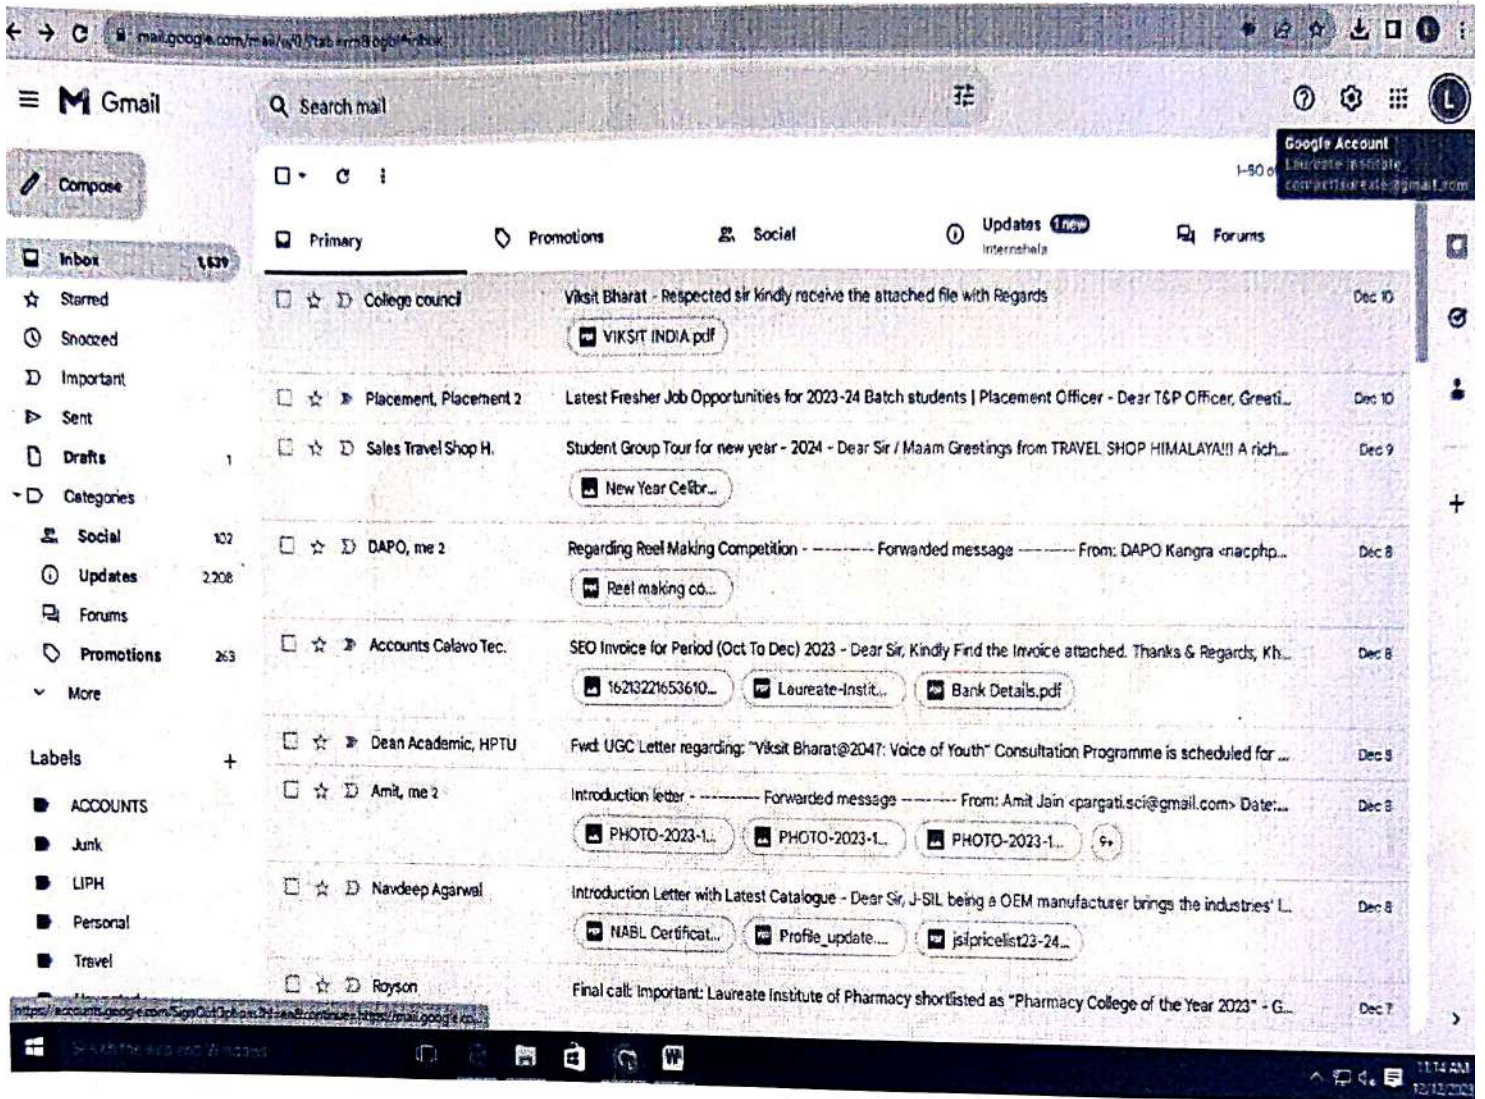

- Examination cell of Institute communicates to examination section of affiliating University through official email id's i.e. examliiph@gmail.com and laureatepharmacy@gmail.com. In order to maintain the secrecy, the password of the email will not be shared with anyone except Principal and Examination Incharge.
- Students are registered under ABC portal as per the directives and guidelines of Himachal Pradesh Technical University (HPTU).

E-GOVERNANCE POLICY

SCOPE

The scope of this policy extends to the following areas:

- Administration
- Accounts and Finance
- Student Admission and support
- Examination
- Library
- ICT Infrastructure
- E-waste Management

OBJECTIVES

- Implementation of E-governance in all functioning of the institution in order to provide simpler and efficient system of governance within the institution.
- To promote transparency and accountability in all the functions of the institute.
- To achieve and create a paperless environment in the institute.
- To provide easy and quick access to information.
- To make Wi-Fi enabled campus.
- To make our Classrooms ICT Enabled having Desktops, Laptops, Smartboards, Projectors etc.
- To establish a complete digital Library.

POLICY

The institute will implement e-governance in all aspects of functioning like administration, accounts and finance, student admission and support, examination, teaching, library etc. The policy is designed and framed to make each and every function transparent and accountable. The institute decides to make the following policies and procedure:

Administration: Attendance management system for staff and students (Biometric) are used for smooth and transparent recording of attendance. The attendance of students, internal assessment records are maintained using affiliating University ERP. Institute website will act as an information center, which will reflect about the institute, all its activities, important notices, courses offered, etc. For this purpose, a service provider/web designer will be appointed by the institute. A website committee to be formed for the administration of the website. The committee will look after the process of updating, maintaining and working of the website on a regular basis. The Committee will also look for other changes that are required on the website. The institute strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live on the website as and when they are released.

Finance and Accounts: There will be transparency in maintenance of finance and accounts of the institute. The office will continue to maintain its account on Tally based software. Latest versions of the softwares to be purchased and used by the institute. Advanced features help the staff to maintain financial records effectively and efficiently. Training to the existing staff and upgradation of the existing software must be done regularly. Profit and loss, Balance Sheet is generated through this software only. All the analysis reports are also generated through Tally. Appropriate security measures should be taken for maintaining confidentiality of the transactions. Training to the existing staff and upgradation of the existing software must be done regularly. The institute will have internet banking facility for online Bank transfer through NEFT and RTGS. The institute uses software like Public Financial Management System (PFMS) which is used to manage the funds received from the Government. The institute will focus to use Payroll Management System which helps to automatically calculate the salary, generate salary slips, disperse the salary to the bank accounts, TDS, Provident Fund, Allowances, etc.

Student admission and support: An open and transparent strategy for the admission process is followed, which is further strengthened by the ethical practices and regulations as opined by the Himachal Pradesh Technical University, Hamirpur, H.P. The institute brings out its brochure which is displayed on the website and has guidelines for the admission process. The details of various student supportive cells such as admission cell, grievance redressal cell, anti-raging committee, sexual harassment cell etc. are available on

maximum services in online mode.

Examination: An open and transparent strategy for the examination process is followed, which is further strengthened by the ethical practices and regulations as opined by the Himachal Pradesh Technical University, Hamirpur, H.P. The examination process such as filling of examination forms, downloading admit cards, uploading of internal assessment and external assessments of students etc. are governed by affiliating University ERP. The students could be able to report any grievance regarding sessional examination using the institute website.

Teaching and Learning: The institute will focus to create infrastructure for ICT based teaching and learning process.

- The institute will ensure to have adequate number of desktops and laptops for students and staff.
- Computers and printers to be made available in the administrative block.
- Smartboards/Projectors/multimedia devices to be provided in the auditorium, classrooms, seminar rooms and laboratories.
- The infrastructure of the institute to be complemented by internet facility, computer networking devices, scanners and updated software packages.
- The institute will add more and more e-learning resources in library for the benefit of the teachers and the students. The College should continue to subscribe to new journals and books regularly.
- The library to install fully automated ILMS software which should have an easy to use- Graphical User Interface, unicode support with multilingual search and export facility for most reports.

E-Waste Management: Laureate Institute of Pharmacy, Kathog ensures that its usage of technology and generation of e-waste does not impact the environment.

E-governance

The objective of setting up of e-governance at LIPH, Kathog is to streamline operations and utilize the resources in an optimal way. It is expected that e-governance will make workflow in the institute functioning more efficient with computerized operations and make accurate data and information available to users. This will help in reducing paper work, time taken for movement of papers and files in official work and better utilization of human resources. We have initiated implementation of e-governance in the field of administration, finance and accounts, student's admission and support, examination; and teaching and learning in a phase wise manner.

- DELNET (Developing Library Network) was implemented with objective of promoting resource sharing among the libraries through the development of network of libraries.
