On December 31, 2022, students from GSSS Bankhandi attended the visit in Laureate Institute of Pharmacy. Total 46 students of 6<sup>th</sup> & 8<sup>th</sup> Class attended the tour in the institute. At 11:15 AM, students arrived at the school. All students and instructors are welcomed by college principal Dr. M. S. Ashawat in a modern classroom. Students were divided into two groups and the tour began at 11:30 AM. The students viewed a variety of locations, including: • Different pharmaceutical labs • Microbiology lab • Research lab • Botanical Garden • Dialysis centre • Machine room. Students observed the implementation of various quality control measures and were curious about how medicines work and are created. After introducing various tools, Dr. C.P.S. Verma gave a lecture to the students in which he discussed about drug research, study of tablet capsules and study of different dosage forms. Various pathological parameters were then discussed in detail with the students. Different dosage forms and their differences were suggested to the students. The students received information about the operation of the hospital pharmacy, drug distribution systems, inventory control, medication errors and special safety precautions when storing drugs. During the tour a thorough explanation of each department was given. The students visited in the institute showing their interest in mathematics and science for their bright future The visit was ended at 01:30 PM. After the speech, Dr. C.P.S. Verma accepted the students' evaluations and gave a vote of thanks. At the end of the visit, a group photo was taken.
