## Higher Education and Career Opportunities Abroad

An interactive session was conducted by Laureate Institute of Pharmacy, Kathog, Jawalamukhi on 29th May 2021 to discuss the opportunities of higher education and career prospects abroad. The speaker for the session was Mr. Chetan Jain, Managing Director, Bulls Eye Chandigarh. The speaker started the session with playing a video and made the session interactive. He then highlighted and explained the advantages of studying abroad. Along with this he also showed a video about the environment in universities abroad and discussed the facilities which the students can avail. Mr. Chetan Jain expressed the advantage of varied exposure while studying at foreign universities.

Mr. Chetan Jain enlightened the students about overcoming the barriers associated with studying abroad. He discussed various countries which can be targeted for higher studies, especially for pharma students. This was followed by discussing the top pharma companies at various locations over the globe. He also discussed the opportunities available post-study. Following this, Mr. Chetan Jain steered the students about the entrance exams required for universities in various countries. He concluded his presentation by briefing about the hand-holding services offered by Study Smart Overseas Education and by solving the doubts of the students. We

also conducted a counselling session for the students towards the end of the program
