Report

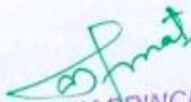

On the 7th of October, 2023, the Laureate Institute of Pharmacy, located in Kathog, Tehsil, Jawalaji, Distt. Kangra, Himachal Pradesh, is organized a One Day Workshop centered around "Unlocking the Behavior of Laboratory Animals". The event commenced with a formal inauguration marked by a lamp-lighting ceremony in the institute's auditorium hall. Dr. Ran Singh, Managing Director, and Professor (Dr.) Mahendra Singh Ashawat, Director cum Principal, Laureate Institute of Pharmacy welcomes the eminent speaker. Professor Dr. A. C. Rana, serving as the Director-Principal at the Swift School of Pharmacy, Ghagar Sarai, Rajpura, Punjab, delivered an academic discourse focusing on the theme, "Unlocking the Behavior of Laboratory Animals: A Hands-On Workshop on Behavioral Parameters". In his presentation, Professor Rana highlighted the substantial utilization of animals in research and toxicity assessments, spanning drug development, medical device evaluation, chemical testing, cosmetic product testing, personal care product assessment, household product evaluation, and other related domains. He emphasized the pressing concern of addressing species-specific environmental enrichment in parallel with comprehending the behavioral aspects of laboratory animals. Furthermore, Professor Rana discussed the meticulous selection of animal models pivotal in the realm of research and elucidated the diverse animal models, tools, and techniques employed in the domain of pharmacological screening.
